

S4i

Fieldwise Package

The Package

S4i FieldWise is a modern booking and facility management platform designed for sports venues, recreation centres, and multi-facility operators. It enables organisations to manage bookings, monitor facility usage, track revenue, and administer venues from a single intuitive dashboard, with powerful scheduling tools and real-time booking management that simplify the organisation of courts, lanes, fields, and facilities while providing clear operational visibility and analytics.

Features:

- Interactive booking calendar with drag-and-drop scheduling
- Real-time facility availability and conflict detection
- Multi-centre and multi-facility management
- Personal booking dashboard for users
- Revenue and booking analytics dashboards
- Recurring bookings and automated scheduling
- Comprehensive admin panel for users, facilities, and courts
- Secure authentication and role-based access control

S4i FieldWise is designed for organisations managing sports and recreational facilities including:

- Tennis and racquet sports clubs
- Basketball and multi-sport centres
- Aquatic centres and swimming facilities
- Community recreation venues
- School and university sports complexes
- Municipal sports and leisure facilities

With the S4i Fieldwise Platform, you can:

Manage bookings, optimise facility usage, and streamline operations across sports venues through an intuitive real-time booking dashboard.

Smart Booking & Scheduling

Create and manage bookings through an interactive calendar with drag-and-drop scheduling, recurring reservations, and intelligent conflict detection.

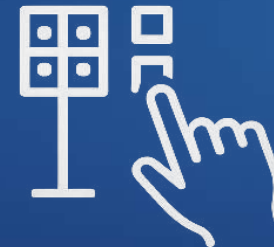

Real-Time Visibility

View live availability across courts, fields, lanes, and facilities, giving administrators clear insight into usage and upcoming bookings.

Revenue & Usage Analytics

Track booking trends, facility utilisation, and revenue performance with integrated analytics dashboards designed to support better operational decisions.

Efficient Facility Management

Easily manage centres, facilities, courts, and bookable units through a powerful admin interface with centralised control.

Scalable Venue Operations

Designed to grow with your organisation, FieldWise supports multi-centre operations, flexible scheduling, and seamless facility management across multiple locations.
